

INVITATION

ON-SITE SEMINAR

Lindsay PieMaking Equipment Pty Ltd

Leaders in innovation and export

Lindsay PieMaking Equipment has been designing and manufacturing equipment for the pie making industry in Australia and overseas for 22 years. This multi-award winner for outstanding product and export is also a member of the Australian Technology Showcase.

Tom Lindsay started the company and his daughter Danielle has joined him to take it to the world. Their range of pie making equipment is continuously updated, upgraded and improved, based on supplier and customer feedback, industry innovation and movements in technology.

Come along and let Danielle and Tom take you through the company's:

- growth, challenges and succession planning; and
- Continuous improvement and export initiatives.

Then join in a site tour of the facility.
